06.08.2021

To the Administration of AFL-CIO,

My dear colleagues,

I am very sorry to hear about your President Richard Trumka's demise. I would like to express my heartfelt sympathy to all members of AFL -CIO and his family on behalf of HAK- IS Confederation.

Mr. Trumka was a big leader not just of the trade unions in United States of America but he was a steering power of International trade union movement as well.

He was known for his positive and impressive approach to improve the life of workers all over. I find myself honoured and fortunate to have known him personally. Mr. Trumka was a President who valued the relations of HAK-İŞ with AFL- CIO and the work of HAK-İŞ in the international arena. I request you to please accept my deepest condolence and please convey the same to his beloved family as well.

With sincere sympathy,

Mahmut ARSLAN
President
